

21-Day Basic Obedience Training

At Prime Time Pups, our 21-day basic obedience package is designed to provide comprehensive training for your pup while ensuring they have a fulfilling and enjoyable experience. Here's an outline of what a typical day might look like for your furry friend during their stay:

Morning:

Breakfast time - Your pup will be served a nutritious meal according to their dietary needs and preferences.

Morning walk and potty break - We'll take your pup for a walk to relieve themselves and get some fresh air.

Training Sessions:

Basic obedience training - Our experienced trainers will work with your pup one-on-one to teach essential commands such as sit, stay, come, and leash walking. Positive reinforcement techniques will be used to ensure a fun and effective learning experience.

Mid-Morning:

Enrichment activities - Your pup will have access to stimulating toys, puzzle games, and interactive playtime to keep them mentally engaged.

Afternoon:

Group playtime - Your pup will socialize with other friendly dogs of similar size and temperament in supervised play sessions. This helps them practice their obedience skills in a social setting.

Rest and relaxation - After an active day, your pup will have some downtime to relax and recharge.

Training Sessions:

Continued obedience training - The trainers will reinforce the commands learned in the morning and introduce new ones to build on their skills.

Evening:

Dinner time - Your pup will enjoy another nutritious meal before the evening activities.

Evening walk and potty break - We'll take your pup for a leisurely walk to wind down before bedtime.

Throughout their stay, our staff will provide plenty of love, attention, and care to ensure your pup feels comfortable and safe during their training and boarding experience. We'll also keep you updated with the progress of their training with videos and pictures. Upon completion of training, we will equip you with the knowledge and skills to maintain our furry friends newfound skillset.

The 21-day basic obedience package at Prime Time Pups aims to set a strong foundation for your pup's training and build a trusting bond between them and our team. Our priority is to help your pup become a well-behaved and happy member of your family!
